

BARN RULES

Pick up any Poop in aisle immediately

Don't leave halter attached to Cross ties

Keep all stall doors closed

Keep tack room door closed
(it is heated and air conditioned and I don't want mice in it.)

Put all tack and grooming equipment away when done &
Keep the Tack Room neat!

Sweep aisle before leaving

Pick up poop in riding rings after each use. (It makes the footing slippery)

Fill any holes that you may find and pick up any dangerous object that you see.

Check water troughs when you put your horse back out, and fill if necessary.
